Rules and Regulations for EXHIBITOR Designated Contractor

An EXHIBITOR/EXHIBITOR Designated Contractor (EDC) is any company other than JP Display, the Official Service Contractor, which an EXHIBITOR may wish to use inside the exhibit hall before, during, or after the show.

Usually, an EDC is contracted to set or supervise the setting of an EXHIBITOR's display. An EDC **May Not** perform any of the following functions: **Drayage / Material Handling, Electrical, Plumbing, Mechanical, Booth Cleaning, Booth Security, Floral, Telephone, Food & Beverage Service, and Draping and Decorator Labor.** However, an EDC may be contracted to supervise the procurement of the item listed above.

An EDC must provide the following to JP Display, no later than 30 days prior to EXHIBITOR move-in. Requests received later than 30 days prior to EXHIBITOR move in will be denied.

1. The above form must be filled out completely and returned to JP Display.
2. EDC must furnish current certificates of insurance naming JP Display as additional insured for both liability and workers compensation. Liability coverage must be at least \$2,000,000 aggregate and 1,000,000 each occurrence. Workers compensation coverage must be at least \$1,000,000 aggregate and 500,000 each occurrence. Failure to provide proper insurance documentation will result in EDC being barred from the exhibit hall.
3. EDC must provide payment in full for all services ordered from JP Display (Please see Payment Policy Sheet for more Information). The EXHIBITOR is ultimately responsible for any charges incurred by its EDC. Any unpaid charges incurred by an EDC will be collected from the responsible EXHIBITOR prior to the close of the show.
4. EDC must confine its activities to the exhibit space of the contracting EXHIBITOR. No storage areas, service desks, or work facilities will be allowed.
5. EDC may not solicit business on the exhibit floor.
6. Exhibit hall, service, storage areas, and loading docks are under the control of the Official Service Contractor (JP Display) and all activities must be coordinated through JP display.
7. JP display accepts no responsibility for damage to any EXHIBITOR material under the control of the EDC or to material that has been left in public areas such as aisle ways, loading docks, storage or work areas, or hallways.
8. EDC employees must identify themselves to JP Display personnel and wear appropriate identification badges at all times. Temporary identification badges will be available from the JP Display service desk if necessary.
9. EDC and its employees will conduct themselves within the governing show rules as established by the show management or association. Such rules may include rules governing the appearance and conduct of workers and during what hours work may be performed. Please check with show management to verify the details of such rules.
